Marine Date The Un-War Game

Marine Date its not a war game, though you may have to fight.
.... its not a billiard game, but you better know your angles.
.... its not a maze game, but you've got to maneuver.
Marine Date it must be experienced to be believed!

Play Instructions

1. Insert coin(s).
2. Use track ball to bounce octopus towards the goal.
3. You must reach the goal within the number of shots allotted to you.
4. If you see a shark coming you can kill it and score a bonus by pushing the fire button. This shoots ink and kills the shark. If you don't kill the shark, it will eat your octopus.
5. Periodically bubbles rise up from the bottom of the screen. If the bubbles catch your octopus they will carry it to a new position on the screen, and you will have to re-align your aim.
6. The maze changes with every new pattern.
7. If you can plan your shots so that they take you to your goal and also clear the dots you can maximize your score.

Marine Date The novelty game of the year!

Which way to take?
(You are free to move within the box.)

When octopus clears dots points are scored.

Use ink button to defend against sharks.

The mermaid is the Cupid of the octopus.
